

Legally binding plan for Besqabs 55 new homes in Nacka

The plan for part of the property Sicklaön 143:1 in Nacka has become legally binding. Besqab AB (publ) ("Besqab") is planning for 55 apartments in sizes 1–5 rooms. The project is called "Klintbacken" and has an attractive location in the Ekudden residential area. Sales are planned to start at the turn of 2026/2027.

Magnus Andersson, CEO of Besqab:

"We are pleased that the plan has become legally binding so that we can supplement Nacka's range of housing with owner-occupied apartments, which is increasingly in demand. The project is being built in accordance with Nordic Ecolabel Swan and will have high living qualities."
